Transport
for London

London Borough of Hillingdon

EV Charging Point Registration Form

To be eligible for the electric vehicle recharging scheme:

- Your vehicle must be 100% electric
- You must live or work in the London Borough of Hillingdon

Initial registration costs £100 + 20% VAT (inclusive of first year subscription)

Annual subscription thereafter £25 + 20% VAT (subject to change)

Upon registration you will receive:

- A high specification recharging cable – required to recharge at our charging points
- One personalised key fob to allow you access to the points
- Detailed instructions for use
- A list of eligible charging points
- Access to the Elektromotive helpline

Items to be enclosed with this application:

- A photocopy of the registration document for each vehicle
- The signed Terms and Conditions for registration form (overleaf)
- Payment of £120 registration fee (£100 plus VAT)

If you would like further details on this scheme please contact users@elektromotive.com or 01273 704 775.

- Launch event
- EV forum
- News article
- Other EV User
- Internet (please specify site)
- Other (Please specify)

Do you have any comments / suggestions on the scheme e.g. further locations for charging points in South and West London?

Terms and Conditions for registered users

This form **must** be signed to complete your application to be a registered user. I, the undersigned, agree to abide by the following terms and conditions:

- To only use the yellow coiled cable provided when recharging (for health and safety reasons),
- To only use the parking bay when actively recharging,
- To comply with all posted parking terms and conditions at the location (applies to all types of vehicle), and
- After recharging, not to return to the same recharging point on the same day (however you can visit other recharging posts on the same day).

London Borough of Hillingdon reserves the right to review and alter the above terms and conditions and will notify all members of other changes. The London Borough of Hillingdon gives no guarantee of the availability of charging points or power supplied from them. The London Borough of Hillingdon reserves the right to remove charging points without notice.
